Dave:

I assume the 1:15 meeting this afternoon is off since we will be talking at 10a tomorrow. Is this right?

Subject: HF/Pav workload discussion

Gary Foley wanted to talk with us about future work loads for the HF study and the Pavillion investigation. We were going to start the discussion later today (around 1:15 PM CST) in order to catch as many PIs as we could. However, Ralph not be traveling tomorrow and may be available (or perhaps not depending how he is feeling) for a call.

Please let me know if you could be available for a meeting (or call for those f you out of the office) this afternoon 1:15-2:00 PM CST (11:15 AM-12 Noon PST) or tomorrow morning around 10 AM CST (8 AM PST)?
